

**Parts Information Bulletin 05**  
**Tower Mount Speaker Bracket**

April 12, 2000

The Tower Mount Speaker Bracket, part number MET0010942, is being replaced with a newly designed bracket. The new speaker brackets are color matched for the white or black wake board towers. The Black speaker brackets are part numbers MET0011293 (starboard) and MET0011294 (port). The White speaker brackets are part numbers MET0011296 (starboard) and MET0011297 (port).
